## Donations:

**The donation deadline is Friday, March 16<sup>th</sup>. Get creative and have fun!**

Below you will find a list of suggestions for donations – please don't be limited by these, as they are only meant to get your ideas flowing. We hope that you will view this as a challenge that you can tailor to your individual abilities and schedule.

A few technicalities to consider:

- Donation forms are available in the office, or a printable version is available on the [school website](#). **Please make sure that every donor completely fills out one donation form for each item!** This is vitally important to our ability to keep an accurate record of all donations. (In case of bundled items, like a gift basket, only one form is required.)
- **Donations with a form attached should be delivered to the main office.** Larger donations can be brought directly to the school, but an administration staff member must be present to accept them, so arrangements must be made with the office prior to delivery.
- If needed, a suggested solicitation script is also available on the school website.

Please watch for Auction updates in the weekly e-bulletin, on [the FSP Facebook page](#), and on [the school website](#). If you would like to be involved in the planning process, we welcome you with open arms!! Offers of help or additional questions can be directed to anyone in the school office, or Brooke Burkett.

**Thank you, thank you for your participation and support!!**
