A few technicalities to consider:

- Donation forms are available in both online and print format. **Please make sure that every donor completely fills out one donation form for each item!** (In case of bundled items, like a gift basket, only one form is required.)
- **Donations should be delivered to the main office.** Larger donations can be brought directly to the school, but an administration staff member must be present to accept them, so arrangements must be made with the office prior to delivery.
- **All donations will be valid for one year from the auction (until April 6th 2020) unless otherwise noted on donation form.**

Thank you, thank you for your participation and support!!
